

Tico Realty.com's motto is "Making You Feel Right At Home"; We want all of our customers to be satisfied with the service we provide. We invite you to interview any buyer or seller we have dealt with to make you feel at home in selecting our company. TicoRealty.com strives to make sure all of their clients are satisfied. Most of our new business comes from referrals.

Being in the us and finding a second home outside the country can be very difficult. Olga with Tico Realty made you feel like she lived right next door. Very helpful, very prompt and best of all she had a list of places to go see when we arrived. Wasting no time, Olga took us to several condos in the San Jose area. After several days of looking and meeting up on a regular basis, we found it! From there Olga took us step by step without leaving us with questions to purchasing our new condo. We'd highly recommend Olga and Tico realty to anyone that is looking for a great and knowledgable realtor of Costa Rica.

We thank you,

Jason and Natasha

Tico Realty came highly recommended and after our experience we will refer Rosario and her team to everyone looking to buy or sell residential or commercial property.

Rosario is one-of-a-kind. She is straight, honest, and motivated. She remained optimistic that we would sell our property, even though it was in a rough area of San Jose.

Rosario is very familiar with Costa Rican realty laws and processes, is friendly and above all professional.

Thank you Tico Realty and your team of professionals! We are more than satisfied and will continue to conduct our business with your company.

Five years ago, I moved to San Jose with the promise of a job. I needed a place to live, quickly. I called three real estate companies I found on the internet, and only one called me back (well, one other did, three days later). I spoke with Rosario who set up an appointment with me with Jacinto for the next day.

I gave him the details of my job and explained that I would need to take a bus to work. The first apartment we saw, was perfect. I later became close friends with Rosario and Jacinto, and after a year, left Costa Rica.

Last week, I arrived, again. I also came with a very tight budget and needed to find an apt. In four days, Rosario found me a perfect match for \$450 a month with everything including cable, internet and utilities, in the heart of Escazu. This was an amazing find.

I know that the people at Tico Realty listen carefully to the wishes of their clients. They did a fantastic job, for me, and when faced with a difficult challenge, take it as something to conquer.

Thanks to TicoRealty for their professionalism. Rosario opened the doors of TicoRealty to me

and Jacinto treated me like a friend. As an international assignee moving to Costa Rica it was crucial to find the best option, and they helped me to find a very special home for my family. I truly recommend TicoRealty.

Tico Realty is absolutely the best. They have a wonderful website with multiple listings all across Costa Rica. Owner Rosario and agent Chris treated me like I was family and a friend. Service was professional and complete. I will only deal with Tico Realty CR in the future and I recommend their services to anyone from North America who seeks their own Costa Rican dream house. I could not be happier than with my friends at Tico Realty. Contact me if you if you want a more detailed testimonial. R Stockman. Washington DC USA
